

**REVIEW FOR APPLICABILITY OF/COMPLIANCE WITH
ORDINANCES/POLICIES**

**FOR PURPOSES OF CONSIDERATION OF
VALLEY VIEW CASINO SITE PLAN AND REZONE OFF SITE PARKING LOT
R 04-017/STP06-004/ER 04-09-014**

May 1, 2008

The Project Analyst must ensure that all applicable environmental ordinances are complied with to the extent that these ordinances apply to the project.

I. HABITAT LOSS PERMIT ORDINANCE – Does the proposed project conform to the Habitat Loss Permit/Coastal Sage Scrub Ordinance findings?

YES
☐

NO
☐

NOT APPLICABLE/EXEMPT
☒

Discussion:

While the proposed project and off-site improvements are located outside of the boundaries of the Multiple Species Conservation Program, the project site and locations of any off-site improvements do not contain habitats subject to the Habitat Loss Permit/Coastal Sage Scrub Ordinance. Therefore, conformance to the Habitat Loss Permit/Coastal Sage Scrub Ordinance findings is not required.

II. MSCP/BMO - Does the proposed project conform to the Multiple Species Conservation Program and Biological Mitigation Ordinance?

YES
☐

NO
☐

NOT APPLICABLE/EXEMPT
☒

Discussion:

The proposed project and any off-site improvements related to the proposed project are located outside of the boundaries of the Multiple Species Conservation Program. Therefore, conformance with the Multiple Species Conservation Program and the Biological Mitigation Ordinance is not required.

III. GROUNDWATER ORDINANCE - Does the project comply with the requirements of the San Diego County Groundwater Ordinance?

YES
☐

NO
☐

NOT APPLICABLE/EXEMPT
☒

Discussion:

The project will obtain its water supply from the Valley Center Municipal Water District which obtains water from surface reservoirs and/or imported sources. The project will not use any groundwater for any purpose, including irrigation or domestic supply.

IV. RESOURCE PROTECTION ORDINANCE - Does the project comply with:

The wetland and wetland buffer regulations (Article IV, Sections 1 & 2) of the Resource Protection Ordinance?	YES <input type="checkbox"/>	NO <input type="checkbox"/>	NOT APPLICABLE/EXEMPT <input checked="" type="checkbox"/>
The Floodways and Floodplain Fringe section (Article IV, Section 3) of the Resource Protection Ordinance?	YES <input type="checkbox"/>	NO <input type="checkbox"/>	NOT APPLICABLE/EXEMPT <input checked="" type="checkbox"/>
The Steep Slope section (Article IV, Section 5)?	YES <input type="checkbox"/>	NO <input type="checkbox"/>	NOT APPLICABLE/EXEMPT <input checked="" type="checkbox"/>
The Sensitive Habitat Lands section (Article IV, Section 6) of the Resource Protection Ordinance?	YES <input type="checkbox"/>	NO <input type="checkbox"/>	NOT APPLICABLE/EXEMPT <input checked="" type="checkbox"/>
The Significant Prehistoric and Historic Sites section (Article IV, Section 7) of the Resource Protection Ordinance?	YES <input type="checkbox"/>	NO <input type="checkbox"/>	NOT APPLICABLE/EXEMPT <input checked="" type="checkbox"/>

Discussion:***Wetland and Wetland Buffers:***

The site contains no wetland habitats as defined by the San Diego County Resource Protection Ordinance. The site does not have a substratum of predominately undrained hydric soils, the land does not support, even periodically, hydric plants, nor does the site have a substratum that is non-soil and is saturated with water or covered by water at some time during the growing season of each year.

Floodways and Floodplain Fringe:

Discussion: The project is not located near any floodway/floodplain fringe area as defined in the resource protection ordinance, nor is it located near any watercourse which is plotted on any official County floodway/floodplain map.

Steep Slopes:

Slopes with a gradient of 25 percent or greater and 50 feet or higher in vertical height are required to be placed in open space easements by the San Diego County Resource Protection Ordinance (RPO). There are no steep slopes on the property. The project is in conformance with the RPO.

Sensitive Habitats:

No sensitive habitat lands were identified on the site as determined on a site visit conducted by Lory Nagem on August 30, 2004. Therefore, it has been found that the proposed project complies with Article IV, Item 6 of the Resource Protection Ordinance.

Significant Prehistoric and Historic Sites:

Based on an analysis of County of San Diego archaeology resource files, archaeological records, maps, and aerial photographs by County of San Diego staff archaeologist it has been determined that the project site does not contain any archaeological resources.

V. STORMWATER ORDINANCE (WPO) - Does the project comply with the County of San Diego Watershed Protection, Stormwater Management and Discharge Control Ordinance (WPO)?

YES

☐

NO

☐

NOT APPLICABLE

☒

Discussion:

Discussion: The submitted Stormwater Management Plan is substantially complete and complies with the WPO requirements for a Stormwater Management Plan.

VI. NOISE ORDINANCE – Does the project comply with the County of San Diego Noise Element of the General Plan and the County of San Diego Noise Ordinance?

YES

☒

NO

☐

NOT APPLICABLE

☐

Discussion:

The proposal would not expose people to nor generate potentially significant noise levels which exceed the allowable limits of the County of San Diego Noise Element of the General Plan, County of San Diego Noise Ordinance, and other applicable local, State, and Federal noise control regulations.

Transportation (traffic, railroad, aircraft) noise levels at the project site are not expected to exceed Community Noise Equivalent Level (CNEL)=60 decibels (dB) limit because review of the project indicates that the project is not in close proximity to a railroad and/or airport. Additionally, the County of San Diego GIS noise model does not indicate that the project would be subject to potential excessive noise levels from circulation element roads either now or at General Plan buildout.
